

CLASP stands for **Caring, Listening And Supporting Partnership**

We are a self-advocacy organisation for people with learning disabilities in the Wokingham Borough

Welcome to our new monthly update

February 2017

We are happy to announce that at our annual **Big Breakfast Event** we raised a total of **£491.10!** This year the money raised has been split between us and the charity YPWD (Young People With Dementia). We would like to thank everyone who came along to support the event and our fantastic volunteers. We could not have done this without you!

CLASP Community Choir will be performing at the 'Let It Shine' concert on Thursday 23rd March. We have been having lots of fun rehearsing songs that have been chosen by our members. We have been enjoying our rehearsals so much, there has even been some dancing around the room!

If you would like to join our choir please contact CLASP.

We are all really looking forward to taking part in the **Disability Sports Taster Day** run by Wokingham Active for people with additional needs on 15th March at Loddon Valley Leisure Centre. There will be the opportunity to try lots of different sports like golf and wheelchair rugby. We will be forming a team with Rose Buddies, our team will be called 'CLASP Buddies'.

The **Wokingham Learning Disability Partnership Board** is currently undergoing a review. Members and service providers including CLASP attended the AGM and spoke about how much the Partnership Board is valued and what it would be like without it. It was a passionate meeting and we hope that our input will help the Partnership Board to continue its great work.

Take Notice (our campaigning group) has 3 new members! This is great news as we are now able to empower more people to share their thoughts and ideas about things that are important to the Learning Disability Community.
