

CLASP stands for **Caring, Listening And Supporting Partnership**

We are a self-advocacy organisation for people with learning disabilities in the Wokingham Borough

Welcome to our new monthly update

March 2017

On Thursday 23rd March the CLASP Community Choir and Sing Healthy Choirs came together to perform our **Let It Shine** concert at the Bradbury Centre. We performed in honour of our friend and Choir Master, Dorian, who sadly passed away last week. It was a very emotional performance and we all sung our hearts out, celebrating both what he meant to us and the power of song. Thank you to the many people who attended and sang with us and for all your donations.

We raised over £600 for Comic Relief.

CLASP and Rose Buddies teamed up to become **CLASP Buddies** at the **WAAN Sports Taster Day** at Loddon Valley. We really enjoyed trying lots of different sports like Karate and Wheelchair Rugby.

It was a fantastic event and a great opportunity to try new sports! We all supported and cheered each other on as a team.

The **Wokingham Learning Disability Partnership Board** held a workshop on **Mate Crime** with help from the **Wokingham Community Wardens**.

Members of CLASP performed some role-plays on the subject, helping to show how some people can be **fake friends** and take advantage of you. We also watched some video clips about Mate Crime and how to avoid being a victim.

We were happy to help raise awareness of Mate Crime.

It's almost Easter! We hope you are all looking forward to spending some time with your friends and family. Please remember that the **CLASP office will be closed on Friday 14th April and Monday 17th April.**

If you urgently need support during this time please call the Out of Hours Social Care Team on **01344 786543.**
